## EXPERIENCE IN COMPANIES

### Google, Paris — Intern

November - December 2016 (1 Week)

Google Discovery Program. Through this internship I discovered how the Company functions, what the different career paths are and how life as a Googler is.

### Schaal Communication, Paris — Production Assistant/Intern

September 2018 - June 2019

I helped videographers produce television reports for french media and attended editing sessions regarding those reports.

### Intrum Justitia, Paris — Intern

January 2017 - (1 Week)

I learned a lot about the financial aspect of businesses and more specifically about debt recovery.

## WORK EXPERIENCE

### Photographer, Paris, Vernon — Weddings and Portraits

2017 - Present

I have shot multiple weddings, as well as sometimes created wedding videos for them. I have also done multiple portrait shooting sessions for clients.

### Drone Videographer, Paris, Vernon

2019 - Present

I have realized small drone video projects like real estate videos and filming showrooms.

### Event Planner, Paris, Marrakech

2019 - Present

I have organised a birthday party for a client that took place over multiple days in another country. I will pursue more of these activities this year.

## **Webmaster and social media manager, Paris, Marrakech**

2019 - Present

I set up Etsy stores and create websites for clients in need of technical support. I also manage Instagram accounts linked to the stores.

## **EDUCATION**

### **Etablissement Saint Adjutor, Vernon, France — Middle/High School**

September 2014 - Present

A french, catholic, private school in Normandy where I spent most of my life as a student.

### **Nakornpayap International School, Chiang Mai, Thailand — 6th grade.**

SEPTEMBER 2013 - AUGUST 2014

The american international school I spent my 6th grade in while living in Thailand for the second year.

## **VOLUNTEERING**

### **Fondation Béatrice Schönberg — *volunteer photographer***

I followed Mrs Schonberg, a french journalist, in her journey to help young morocan girls attend school and documented it.
